The City also will continue to provide a live stream as well as options for public comment as we have in recent months. You can watch the live stream online at www.bcnv.org/streaming - or if you are a Cox Cable subscriber, on channel 2 in Boulder City. All meeting agendas can be found at www.bcnv.org/agendacenter. "I believe there are people who have not been vaccinated that will be concerned about their health and well-being in public areas," said Fire Chief Will Gray, who is leading the Pandemic Incident Response.
