

What's Happening around the City of Boulder City

Happy Retirement, Willy Williamson!

Congratulations to Willy Williamson, who is retiring after 46 years of public service and his second long career in Airport Management! Willy served as the Manager of the Boulder City Airport over the past 18 months; prior to that he was airport manager for the City of Vancouver, Washington's Pearson Field Airport from 2008 to 2018. He was hired after an extensive national search. "My plan is to initially return to the Pacific Northwest, knock the cobwebs out of the old place there, and then I will be splitting my time between PNW and Boulders City. I'm looking forward to doing all the fun things that you just don't seem to have time for when you're working," Willy said. Willy's last day is March 10. Safe travels ... and enjoy your retirement!

1 October Memorial Committee Seeks Input

**WE NEED YOUR INPUT.
TAKE OUR SURVEY!**

We will never forget what happened in Las Vegas on 1 October 2017. Now, Clark County is working to create a lasting memorial that remembers the victims, honors the survivors and first responders, and celebrates the resilience of our community. Should the memorial be a park, a monument, a sculpture or something else? Your input is critical to the success of this effort. Please scan the QR code (left) to take a short survey and let the 1 October Memorial Committee know your thoughts. Also, please consider sharing this

survey with your friends and anyone who has an interest in this matter (before March 14th, the last day this survey is available). To follow the progress of this project, please visit www.ClarkCountyNV.gov/1OctoberMemorial and subscribe to email updates from the committee. You can follow the committee at www.Facebook.com/1OctoberMemorial.
