

Happy Retirement, Roger Martens!

Congratulations to Roger Martens, Substation Technician for Boulder City, on his retirement last week! Roger worked for the City for more than 27 years. “Roger was there for the residents of Boulder City whether there was an outage or for simple electrical advise. He has been a great professional and the ultimate team player. I will certainly miss his dedication and support around here,” said his supervisor, Marvis Poole. “We’re hoping to work with him in the future on a contractual basis.” Join us in wishing Roger well in his retirement!

Congratulations, Marisa Adou, Airport Manager!

After a nationwide search to fill the Airport Manager vacancy in March, including through the American Association of Airport Executives (AAAE) website, the City received 18 applicants. Five candidates rose to the top as the most qualified and were interviewed. After consideration of a number of factors such as education, experience and interpersonal communications skills presented during the interview, interim Airport Manager Marissa Adou was the most qualified candidate for the Airport Manager position! Marissa holds a Bachelor of Science in Aviation

Management, AAAE certification and membership, has developed a network of other aviation professionals as the past President of the Nevada Airports Association, and 16 years aviation experience. Marissa and her husband have two daughters. The City will be announcing the Assistant Airport Manager vacancy soon.
