Open Houses to Discuss Historic Preservation Ordinance

Boulder City is seeking input from the community on proposed changes to the City's historic preservation ordinance. The proposed draft ordinance would require property owners within the district to receive approval from the City for structural changes and/or building demolition based on updated design guidelines and the Secretary of Interior's Standards for the Treatment of Historic Properties. Learn more and view the draft ordinance at www.bcnv.org/hpordinance. Share your thoughts at one of the public meetings planned:
