## Remembering Airport Advisory Committee Member, BCPD Volunteer Gary Berger

Airport Advisory Committee Member and longtime BC Police Department Volunteer Gary Berger died Friday, October 8, at the age of 76. His family said he had long been fighting COPD. According to a post from his son, Joe, "He was very active in the community, volunteering as much time as he could to the Boulder City Police Department for the past few years. Before that, he worked for the National Park Service as a 911 Dispatch operator. He loved to serve the community and help others in any way that he could. He was born and raised in Chicago where he lived until he met the love of his life (Sharon Berger). Once he learned that year round warmth was a real thing, they moved to Southern California. They stayed there until 1989 when we moved to Boulder City. He would give you

the shirt off his back and bend over backwards to help anyone he could." The service for Gary will be held at 11:00 a.m. on Tuesday, October 12, 2021 at King David Memorial Chapel and Cemetery, 2697 E Eldorado Ln, Las Vegas. Gary was also the administrator of the Boulder City Community Crime Watch page on Facebook, where he often shared statistics and warnings to keep residents informed. He will be greatly missed.
